To whom it may concern,

We had the pleasure of hosting Angela Brown, A.K.A. the Ta Daa Lady at Fraser Valley Regional Library during Spring Break 2016.

Angela entertained over 1,700 people at 21 libraries in two weeks. It was an ambitious tour schedule and Angela was amazing throughout! She was pleasant and gracious from the outset, during the scheduling process and beyond.

Most importantly audiences loved her! People had a great time; there was lots of laughter and participation. Library staff reported that "kids just loved her and were rolling on the floor with her jokes. They loved to sing along with her and the parents found her entertaining." Audiences enjoyed the interactive storytelling and the children loved the puppet and props used throughout the program.

Audiences said they had "so much fun!" "We enjoyed watching the kids participate." "Everyone watching the Ta Daa Lady was enthralled." Some of the kids said "I liked the acting." "I liked helping out." "I liked the snake puppet." Truly she had something for everyone.

I was very impressed with Angela's professionalism and her repertoire as a performer. She easily responds to any audience – no matter the size or makeup. I watched as she engaged children and responded to both their enthusiastic and bashful responses. Angela is a consummate performer. I would highly recommend her to other organizations.

Sincerely,
